This report was prepared by NEPC, LLC, an affiliate of Hightower Advisors, LLC, and is intended for informational and discussion purposes only. The information herein involves views and judgment of NEPC's professionals and cannot be guaranteed and is subject to change without notice.

The opinions presented herein represent the good faith views of NEPC as of the date of receipt and are subject to change at any time. Performance information of any indices or strategies represented herein may be based on third-party sources.

The information in this material has been obtained from sources NEPC believes to be reliable.

Past performance is no guarantee of future results. All investments carry some level of risk. Diversification and other asset allocation techniques do not ensure profit or protect against losses.

Returns for pooled funds (e.g., mutual funds and collective investment trusts) are collected from third parties; they are not generally calculated by NEPC. Unless otherwise directed by the client, returns for separate accounts are calculated by NEPC. Returns are reported net of manager fees unless otherwise noted.

A "since inception" return reported, begins with the first full month after funding, although actual inception dates (e.g., the middle of a month) and the timing of cash flows are taken into account in composite return calculations.

Unless otherwise directed by the client, NEPC's data source is the client's custodian bank or recordkeeper. If data cannot be obtained from one of the preferred data sources, data provided by investment managers may be used. Market index data and security characteristics are sourced from additional providers and may be preliminary and subject to change.
